

## Bull of the Month February

### No-Pe Zampanzar NEO-811

*Published 05/02/2019*

#### Interesting Family

Zampanzar NEO-811 (Blowtorch x Yoder x Supersire) comes from a family of Morningview Shtle Madilyn EX-94. Zampanzar's dam is Top 1 cow in Europe in NM No-Pe Yoder Elena VG-85 (NM 961)!

#### High TPI and NM

GTPI 2713 and NM 852 make Zampanzar one of our most interesting bulls. Those figures are emphasised by production of 1784 lb milk, fat 86 lb (+0,07) and protein 59 lb (+0,02). Udder 1,98 and good F&L 1,64 are promising characteristics for his progeny. Daughters will have a medium stature with very good fitness traits – PL 5,7; SCS 2,72 and DPR 1,7!
